Zinio digital magazines for Apple iOS and Android devices

Zinio is the library's digital magazine service. Check out issues of magazines like *Chicago*, *Cosmopolitan*, *Vanity Fair,* and *Family Circle* to read on your computer or mobile device.

1. Whether you are using an Apple or an Android device, begin at https://www.rbdigital.com/elmwoodparkil. Click on Create New Account at the top right corner of the screen.

2. Return to https://www.rbdigital.com/elmwoodparkil to start browsing our magazine collection. Click on a magazine to see all the issues available and more details. Click on the plus icon at the bottom right of the magazine to check out the current issue.

3. To read on your computer click on My Collection at the top right of the screen. Click on an issue to read it in your browser.

4. To read on an Apple or Android device: search your app store for the Zinio For Libraries app. Download the free app and sign in with the account you created at our collection's site. The magazines you have checked out will appear in the app. If you do not see a magazine you recently checked out, tap on the settings icon, then tap on Refresh Library. To download and begin reading a magazine, tap on the cover.

5. To find more magazines to read, tap on Checkout Magazines on the app's home screen or visit https://www.rbdigital.com/elmwoodparkil.

6. Do you want your magazines to automatically download for offline reading when you check them out? Tap on the settings icon, then tap on Download Preferences. Tap on Automatic Downloading to enable this feature.

Tips & Tricks
- There is no limit to the number of magazines you can check out.
- There are no waiting lists and there are no due dates.
- To delete a magazine, tap on Edit in the app and tap on the X next to the magazines you want to delete. You can delete from your computer by signing into https://www.rbdigital.com/elmwoodparkil. Click on My Collection at the top right of the screen. Click the trash icon on an issue to delete it.
