It’s time for Summer Reading! Our annual Summer Reading Program is designed to encourage literacy and learning year-round. This year’s theme is Find Your Voice, so let’s celebrate everybody’s voices to share stories, express ourselves, and spark change.

Our voices not only include the sounds we make, but the words we write, the art we create, the movements we perform, and the actions we take each day to impact our world.

There’s a reading challenge for all ages - kids, teens, AND adults. Read books and complete activities all summer long to collect your rewards!

Stop by to receive your paper activity log. Happy Reading!
