Add a Library Button to Goodreads

goodreads

Do you use Goodreads to track the books you want to read? You can now find out whether the library owns a copy with one click. Simply add an Elmwood Park Public Library button to Goodreads and it will show up

alongside every book you look at on the site. Follow these instructions to add the button.

Sign into Goodreads, then click on Account Settings. Click on Book Links on the Account Settings page. You should see a list of popular links on the right side of the screen. If it is not sorted alphabetically, change the sort by: dropdown to popularity, then back to alphabetical. Click the next button at the bottom of this list until you see Elmwood Park Public Library. Click on "add" next to Elmwood Park.

You can change the order of your book links on your Account Settings page, under Book Links. Now when you look at a book on Goodreads, you will either see a button that says Elmwood Park Public Library, or you will see one that says Links. Click on Elmwood Park Public Library (hover over the Links button if that is what appears for you) to search our catalog. The button appears next to Get a Copy, just above your friend reviews, as shown below.

My Darling Detective

by Howard Norman

★★★★☆ 3.66 · Rating Details · 82 Ratings · 27 Reviews

A witty, engrossing homage to noir from National Book Award finalist Howard Norman

Jacob Rigolet, a soon-to-be former assistant to a wealthy art collector, looks up from his seat at an auction—his mother, former head librarian at the Halifax Free Library, is walking almost casually up the aisle. Before a stunned audience, she flings an open jar of black ink at master photog ...more

When you click on Elmwood Park Public Library, our catalog opens in a new tab. You can see which libraries in our system own the book when you scroll down. The Goodreads button searches by ISBN. This will take you directly to the right book most of the time, but if no results are returned, try searching again by title.
